Annual Awards to Year 10 Pupils

Introduction and Explanation of the awards

Despite the fact that we are unable to host our Annual Awards Evening this July, we still want to celebrate the many and varied achievements of our pupils. As usual we are acknowledging pupils who are achieving the highest levels in specific subjects by awarding **subject distinctions**. In addition to this we have **subject commendations** for pupils who have shown commitment and determination in specific subjects who we wanted to reward for their efforts. We have added a new award this year for **Online Learning** as many of our pupils have adapted really well to the current situation. Other awards include **significant progress**, for pupils who have exceeded our expectations and are working above target in a number of curriculum areas, **100% attendance**, **pupil librarians**, **representative honours** and our **tutor nominated pupil of the year**.

Pupils will receive their certificates in the post and our Honours pupils will also receive a personal message from Mrs Gibson, our Headteacher.

Congratulations to all our award winners!

Mrs B Morley (Progress Leader)

A statement from Mrs Gibson, Headteacher

This has indeed been an unprecedented time, but we must remember that nothing lasts forever and the glories of this world will shine through, even in the darkest of times, to give moments to remember and to cherish. Through our virtual Awards' Ceremony we are taking a moment to celebrate what our wonderful pupils have achieved over the past year during their time in school and at home – they truly are inspirational and a credit to St. Hild's and their families. As well as their academic achievements, these children have shown they are kind, resilient, creative, flexible and trustworthy, and will change the world for the better. Per aspera et ardua – to the stars by your efforts! It is a great privilege to be the Headteacher of this wonderful school, and events like this remind me how lucky I am to be able to spend my time with such amazing young people.

Mrs T. Gibson (Headteacher)

Message from Mrs L Hornby (Year Leader)

Dear Year 10

It is traditional at this time of year to celebrate the academic year that has gone and I see no reason why this year should be any different. Many of you have made outstanding progress and should be rewarded for your efforts. There are also those who have made a significant contribution to the school community who also deserve recognition.

It goes without saying that this has been a strange year that none of us could have anticipated. I am proud to say that many of you have risen to the challenges that this has brought and will reap the rewards of your efforts in the coming months. You have shown that you have the necessary skills and drive to be independent and (I hope) lifelong learners. The skills that you have developed in recent weeks have equipped you and given you experience of what study beyond St. Hild's will look like.

In November the focus of our Alternative Curriculum Day for Year 10 was to prepare you for life beyond St. Hild's. I would like to thank Mrs Sangster for the excellent job she did of organising the wide range of visitors who came into school to provide workshops and presentations aimed at raising pupils' aspirations and preparing you for the competitive nature of the world beyond school. As is always the case, we received fabulous feedback about our wonderful pupils from everyone involved.

I would also like to thank Mrs Lake for the work she is doing to ensure pupils are well informed about Higher Education and establishing links with some of the very best Universities for our year 10 pupils. In September a group of year 10 pupils were lucky enough to participate in a residential experience organised by Oxford University, this too was supported by Mrs Lake.

I'm delighted to say that school will be open to all Y10 pupils for the last two weeks of term and I hope to see everyone take advantage of their allocated days. Miss McDonnell and I are very much looking forward to seeing everyone again. Once we return to school I hope that you will continue to show the determination and resilience that we have seen as we continue our journey towards your final examinations.

I would also like to take the opportunity to thank the Year 10 tutor team who have shown such dedication and generosity of time in ensuring that you have all been supported throughout this period.

I am very proud.

Mrs Hornby
