### Annual Awards to Year 9 Pupils

#### Introduction and Explanation of the awards

Despite the fact that we are unable to host our Annual Awards Evening this July, we still want to celebrate the many and varied achievements of our pupils. As usual we are acknowledging pupils who are achieving the highest levels in specific subjects by awarding **subject distinctions**. In addition to this we have **subject commendations** for pupils who have shown commitment and determination in specific subjects who we wanted to reward for their efforts. We have added a new award this year for **Online Learning** as many of our pupils have adapted really well to the current situation. Other awards include **significant progress**, for pupils who have exceeded our expectations and are working above target in a number of curriculum areas, **100% attendance**, **pupil librarians**, **representative honours** and our **tutor nominated pupil of the year**.

Pupils will receive their certificates in the post and our Honours pupils will also receive a personal message from Mrs Gibson, our Headteacher.

Congratulations to all our award winners!

**Mrs B Morley** (Progress Leader)

#### A statement from Mrs Gibson, Headteacher

This has indeed been an unprecedented time, but we must remember that nothing lasts forever and the glories of this world will shine through, even in the darkest of times, to give moments to remember and to cherish. Through our virtual Awards' Ceremony we are taking a moment to celebrate what our wonderful pupils have achieved over the past year during their time in school and at home – they truly are inspirational and a credit to St. Hild's and their families. As well as their academic achievements, these children have shown they are kind, resilient, creative, flexible and trustworthy, and will change the world for the better. Per aspera et ardua – to the stars by your efforts! It is a great privilege to be the Headteacher of this wonderful school, and events like this remind me how lucky I am to be able to spend my time with such amazing young people.

**Mrs T. Gibson** (Headteacher)

## **Message from Mr L Stephenson (Year Leader)**

Year 9 is normally an eventful year in the school calendar, but I don't think anyone could have predicted what would unfold in 2020. The impact of the pandemic is clear for all to see and as I have mentioned in previous correspondence, the manner in which our school and wider community has responded has been heartening.

What we must not forget is that prior to the pandemic, our Year 9 pupils had completed nearly half of their first year of study towards their GCSE examinations. During the time in school, we have been able to see Year 9 jump into their studies in a way that makes me enthused for what the next two years will bring. We had our only Alternative Curriculum Day of Year 9 during November. The Enterprise Challenge saw our pupils developing their own product and pitching them to the whole year group, which was no small challenge! The attitude of all involved was fantastic, and it was great to see so many pupils challenging themselves to leave their comfort zone.

Similarly, we have been proud to see the way many of our Year 9 pupils have responded to home learning. The dedication to their work and determination to not let the pandemic hold them back is something I will talk about in years to come. We have had a group of pupils who, despite the circumstances, have continued to take part in the Hartlepool 6<sup>th</sup> Form College Ray Programme. It was pleasing to see so many Year 9 pupils answer the call to be a Prefect; I think we have an amazing cohort who will do an amazing job.

I'm pleased that, as a school, we can still recognise the amazing achievements of our pupils. I think under these circumstances, recognition of achievement is needed more than ever and deserved more than ever. Congratulations to Year 9 on their good humour and continued determination to not have their learning derailed. Congratulations to the Year 9 pupils recognised as part of what would have been our Awards Evening.

**Your Year Team could not be prouder of your achievement.**

**Mr Stephenson**
