At St. Hild's Church of England School we aim to provide all of our pupils with a world class education in a Christian context.
We expect to find God at work in our school.

THE CHURCH
OF ENGLAND

Report from Ofsted Visit

12th November 2020

Dear Parents and Carers,

Enclosed with this letter is some information from a recent Ofsted visit to St. Hild's Church of England School. The purpose of the visit was to gather information on how the school had responded to the covid crisis and gain a better understanding of the current curriculum offer. While the summary of the visit does not provide a huge amount of detail, I hope it provides more reassurance that St. Hild's is working very hard to ensure that disruption to your child's education is minimal during this current pandemic.

It is a very challenging time for everyone as we are seeing pupils and staff having to spend long periods of time at home. We are also aware that for many, this is a very anxious and stressful time as so much of what we know as 'normal' has changed beyond recognition. As chair of the IEB I spend a lot of time working with school leaders and staff within school. I have also recently had the pleasure of talking to a number of pupils within school (virtually of course). I can assure you that St. Hild's is committed to giving your child the very best education. The staff are determined that students will not miss out on quality teaching during this difficult and challenging period and as an IEB, we have been very impressed with the senior leaders unfaltering commitment to continuing the school improvement journey.

The relationship between home and school is crucial in ensuring success and I want to take this opportunity to again thank you for your continued support of and commitment to St. Hild's.

I look forward to continuing the journey with you all.

Best wishes

Debi Bailey
Chair of the IEB
