Dear Parent/Carer.

The Department for Education (DfE) has recently released some information about a scheme where parents/carers can temporarily increase their mobile data allowance, for free. This is to support the on-line learning for pupils and is intended for people who 'tether' their mobile devices to laptops, tablets etc., in order to access the internet.

The scheme is currently being supported by the following mobile phone companies:

SMARTY
Virgin Mobile
EE
Tesco Mobile
Sky Mobile
O2
Three
Vodafone

More details can be found at: <https://get-help-with-tech.education.gov.uk/about-increasing-mobile-data>

Schools are required to make this application, on your behalf, via the DfE.

If you would like us to make this application, please complete the linked form below by no later than **Monday 18th January**.
