THE CHURCH
OF ENGLAND

23rd October 2019

Dear Parent/Carer

As we come to the end of the first half term, we would like to thank you for your support in the early part of the new academic year. Research has shown that when parents/carers work in partnership with the school this has a positive impact on pupil achievement.

A key part of effective home/school relations are good lines of communication. Please be reminded that if you wish to contact the school, the main channels for this are:

- Telephone
- Emails
- Tutor via the planner

We genuinely welcome all forms of communication from parents/carers.

Regrettably, over the last year or so, a minority of parents/carers have opted to share communications about the school using social media platforms. At times, some of these messages have contained mistruths and they have only contrived to make situations worse. For the avoidance of doubt, when communications of this nature take place, we will take swift and decisive action up to and including involving the police. There are clear laws in relation to libel and social media content comes under the scope of this legislation.

Thank you for taking time to read this letter and we look forward to communicating with you through our formal and established channels.

Yours faithfully

Tracey Gibson
