THE CHURCH OF ENGLAND

16<sup>th</sup> June 2020

Dear Parent/Carer

I am delighted to welcome you and your child to St. Hild's Church of England School as part of our new Year 7 cohort. As your child's Year Leader in Year 7, I am responsible for leading their transition from Year 6 to Year 7.

I am writing to assure you that at St. Hild's Church of England School we are all working hard to ensure the best possible transition to secondary school for your child. Although we are living in unprecedented and challenging times, I would like to reassure you that we will do all we can to meet your child's needs and we are pleased to welcome your family into our school community.

Due to the current Government guidance on Covid-19, we are unable to implement our traditional transition programme, which usually consists of a two week induction programme in July. Therefore to support your child's transition into secondary school we have enclosed and enhanced Transition Information Booklet, which details important information about the school and provides some introductory work for your child to complete. All work should be completed in the exercise book that we have provided. Please take the time to read the Transition Information Booklet and talk about the content with your child. The forms at the back of the booklet should be completed and returned to school in the enclosed stamped addressed envelope by 26<sup>th</sup> June 2020. As government guidance changes, we will review the transition programme, and if there are any adjustments that we can make to further improve the transition offer, we will inform you in writing.

In the meantime can I direct you to the school website [www.sthilds.org.uk](http://www.sthilds.org.uk) and ask you to follow us on Twitter @sthildstransition where you will find all the information you require about our school. I will be uploading video clips to Twitter each Monday, Wednesday and Friday until 20<sup>th</sup> July 2020; you will be able to see the Year 7 tutors and other key members of staff, and will be able to take a virtual tour of the school.
