THE CHURCH  
OF ENGLAND

16th June 2020

Dear

I am Miss Sotheran and will be your Year 7 Year Leader at St. Hild's Church of England School; the staff and pupils are so excited that you are coming to join us.

I understand that you might be feeling nervous about your transition to secondary school. It is completely normal to feel this way, but I can reassure you that you will receive a very warm welcome when you start St. Hild's Church of England School next academic year. As you will already know, due to the Government response to the Coronavirus, schools are not open for all pupils and so life is very unusual at the moment. However, staff at our school are doing everything within their power to make sure that you are fully prepared for your transition to Year 7.

To support your move to our school I will be posting some video clips from key staff as well as a virtual tour of the building which you will be able to view on Twitter @sthildstransition. I have also enclosed a special Transition Information Booklet for you which has lots of information that will help you prepare for your move to our school.

We do not want you to worry about your transition, but to think about it as something exciting to look forward to. However, if you have any concerns at all, please discuss them with your parent/carer and if necessary, ask them to contact me so that we are able to fully support you through this process.

I will be calling all parents/carers over the coming weeks, and I look forward to meeting you all in person as soon as it is possible to do so. I'd like you to remember that Year 7 is an exciting fresh start and we cannot wait to see you flourish.

Yours sincerely

Miss S Sotheran  
Year Leader and Transition Coordinator
