

ST. HILD'S CHURCH OF ENGLAND SCHOOL

KING OSWY DRIVE • HARTLEPOOL • TS24 9PB

Tel: 01429 273041 • Fax: 01429 232235

Headteacher: Mrs. T. Gibson, BEd. Physics.

At St. Hild's Church of England School we aim to provide all of our pupils
with a world class education in a Christian context.
We expect to find God at work in our school.

10th September 2018

Dear Parent/Carer

my-GCSEscience

As part of our commitment to supporting your child through their Science GCSEs, the school has secured a subscription to my-GCSEscience video tutorials and exam preparation resources. my-GCSEscience is a very powerful interactive tool that can be used alongside textbooks and revision guides or as a stand-alone resource.

We are keen that as many pupils as possible have access to high quality resources at home so that they are in the strongest position to study independently for tests and exams. my-GCSEscience is also ideal for catching up on class work after absence, or for reviewing topics that your child has found more challenging. Of course, Science teachers will continue to offer help to individual pupils as required, but all pupils will really benefit using these resources outside their lessons.

my-GCSEscience provides detailed learning videos and support resources for the GCSE Science exams and is fully updated for the new 9-1 GCSE specifications. It provides an excellent online revision package, complete with "traffic-light" progress checker, exam-style questions, mark schemes and tips for the exams. Your child will soon receive login details from their teacher to access their subscription. my-GCSEscience can be accessed in school or at home, it works well on laptops, tablets and smartphones. We know that you will encourage your child to make the most of this resource in order that they gain the best possible results from their Science exams. Pupils unable to access the internet at home can access my-GCSEscience via the computers in the Library Resource Centre.

If you would like to discuss this further please do not hesitate to contact me via the Main School Office.

Yours faithfully

Dr R Bulmer
Subject Lead
